

Star Alert Emergency Notification - System Registration

In the interest of promoting the safety of our office community, Minnesota State Colleges & Universities, Office of the Chancellor, Wells Fargo Place is implementing a new wireless emergency notification system, called Star Alert™.

What Is Star Alert?

Star Alert emergency messages are sent to you through text mail and e-mail during emergencies that threaten life or safety and/or severely impact standard campus operations. **The Star Alert system will only be used in emergency situations.**

Who Can Register?

All members of the Office of the Chancellor Wells Fargo Place location community are encouraged to register for this valuable service. Star Alert will provide immediate emergency communication, and as a wireless notification system, they provide critical information if computers and telephones are compromised.

More Details

Notifications are brief and clearly identified as a Star Alert. They will include information on the situation at-hand, what action to take and where to find additional information.

The Office of the Chancellor Wells Fargo Place Star Alert program will provide notification of emergencies that occur on the Office of the Chancellor, Wells Fargo Place location. Likewise, many campuses have separate programs that are being developed. The Office of the Chancellor staff located in greater Minnesota on or near these college campuses are encourage to register at the nearest campus/institution website.

Register Now

Registration is free, quick and easy. Just click on the link below. Participants must be able to receive text or email messages on their cell phones. The process can also be reversed if the service is no longer desired. **Information submitted through the registration process will only be used for the Star Alert system.**
